

Appraisal Continuing Education

Licensees are required to obtain 14 hours of continuing education a year. Because your renewal is for 2 years, each licensee will need 28 hours of continuing education for the two-year renewal cycle (August 1-July 31). It is encouraged that licensees complete their CE before July to provide adequate processing time in order to acquire new license before July 31st as required by law to perform appraisals.

7 HRS. National USPAP and 2 HRS of Michigan Law Update are required every renewal.
