IMPORTANT NOTICE FOR ALL CANDIDATES

Due to many complaints from the buildings' tenants, PSI (and the properties which house the PSI test centers) cannot accommodate any individuals other than the person who is being tested.

PSI understands that test candidates are often comforted by having guests accompany them to their exams. It may also be necessary for a guest to drive the candidate to the test center. However, incidents from previous guests have prompted warnings from Property Management. For this reason, PSI has adopted the following policy concerning guests.

"Person(s) accompanying a test candidate may not wait in the test center, inside the building or on the building's property. This applies to guests of any nature, including drivers, children, friends, family, colleagues or instructors."

There are facilities nearby such as shopping malls, stores or restaurants where guests may go while the candidate takes a test. Please take the time to visit those locations instead of waiting in or around the building.

Also of note, many candidates have been arriving hours before their scheduled exam time. This is not necessary. Please plan to arrive no earlier than 30 minutes before the start-time of your exam. This will provide plenty of time for check-in.

Thank you for your understanding and for your cooperation.

TAKING THE EXAMINATION BY COMPUTER

Taking the PSI examination by computer is simple. You do not need any computer experience or typing skills. You will use fewer keys than you use on a touch-tone telephone. All response keys are colored and have prominent characters. An illustration of the special keyboard is shown next.

IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial to the computer and keyboard is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included as part of the tutorial so that you may practice using the keys, answering questions, and reviewing your answers.

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

EXAMINATION QUESTION EXAMPLE

During the examination, you should press 1, 2, 3, or 4 to select your answer or press "MARK" to mark it for later review. You should then press "ENTER" to record your answer and move on to the next question. A sample question display follows:

IMPORTANT: After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

SCORE REPORTING

Candidates passing the examination will receive ONLY a score indication of PASS. Passing numeric scores are not available. Candidates who do not pass will receive an individual score for each of the major sections in the examination outline. Candidates should use this information to assist them in studying for the re-examination.

When you have passed the examination required for the desired license, you will receive your passing score report at the examination site.

ON-SITE LICENSURE

Salesperson Candidates: Only the State of Michigan may determine your eligibility for a license. Prior to testing, the State of Michigan will determine your eligibility to receive a license on-site, immediately upon passing the required examination. If you are deemed eligible for an on-site license, one will be given to you at the examination site. PSI does not take appointments and print license cards for existing licensees.

Broker Candidates: At this time, on-site licensure is NOT available to broker candidates.

DUPLICATE FAILED SCORE REPORT

You may request a duplicate score report after your examination by emailing scorereport@psionline.com or by calling 800-733-9267.

VERIFICATION OF FAILED SCORE

If you receive a failing score on the examination, you may request that the examination be re-scored for verification of the score.

Re-scoring of computer based examinations **WILL NOT** include any verification of the content of an examination, or the content or accuracy of specific items received by the candidate. Re-scoring of computer based examinations also will not include any investigation of comments about items entered by the candidate during administration of the examination.

You may write to PSI to request the re-scoring of your failing examination. Please include your name, social security number, and date of the test.

TIPS FOR PREPARING FOR YOUR LICENSE EXAMINATION

The following suggestions will help you prepare for your examination.

- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory and it is also an excellent business practice. Underline or highlight key ideas that will help with a later review.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

EXAMINATION STUDY MATERIALS

The following list of reference materials were used to verify the accuracy of the test items for this examination. These listed references are used for the purpose of test validation. These materials contain neither all of the Real Estate knowledge required to be competent in any specific area nor all of the information on which the examination is based.
